

cabe

NICK JOHNSON

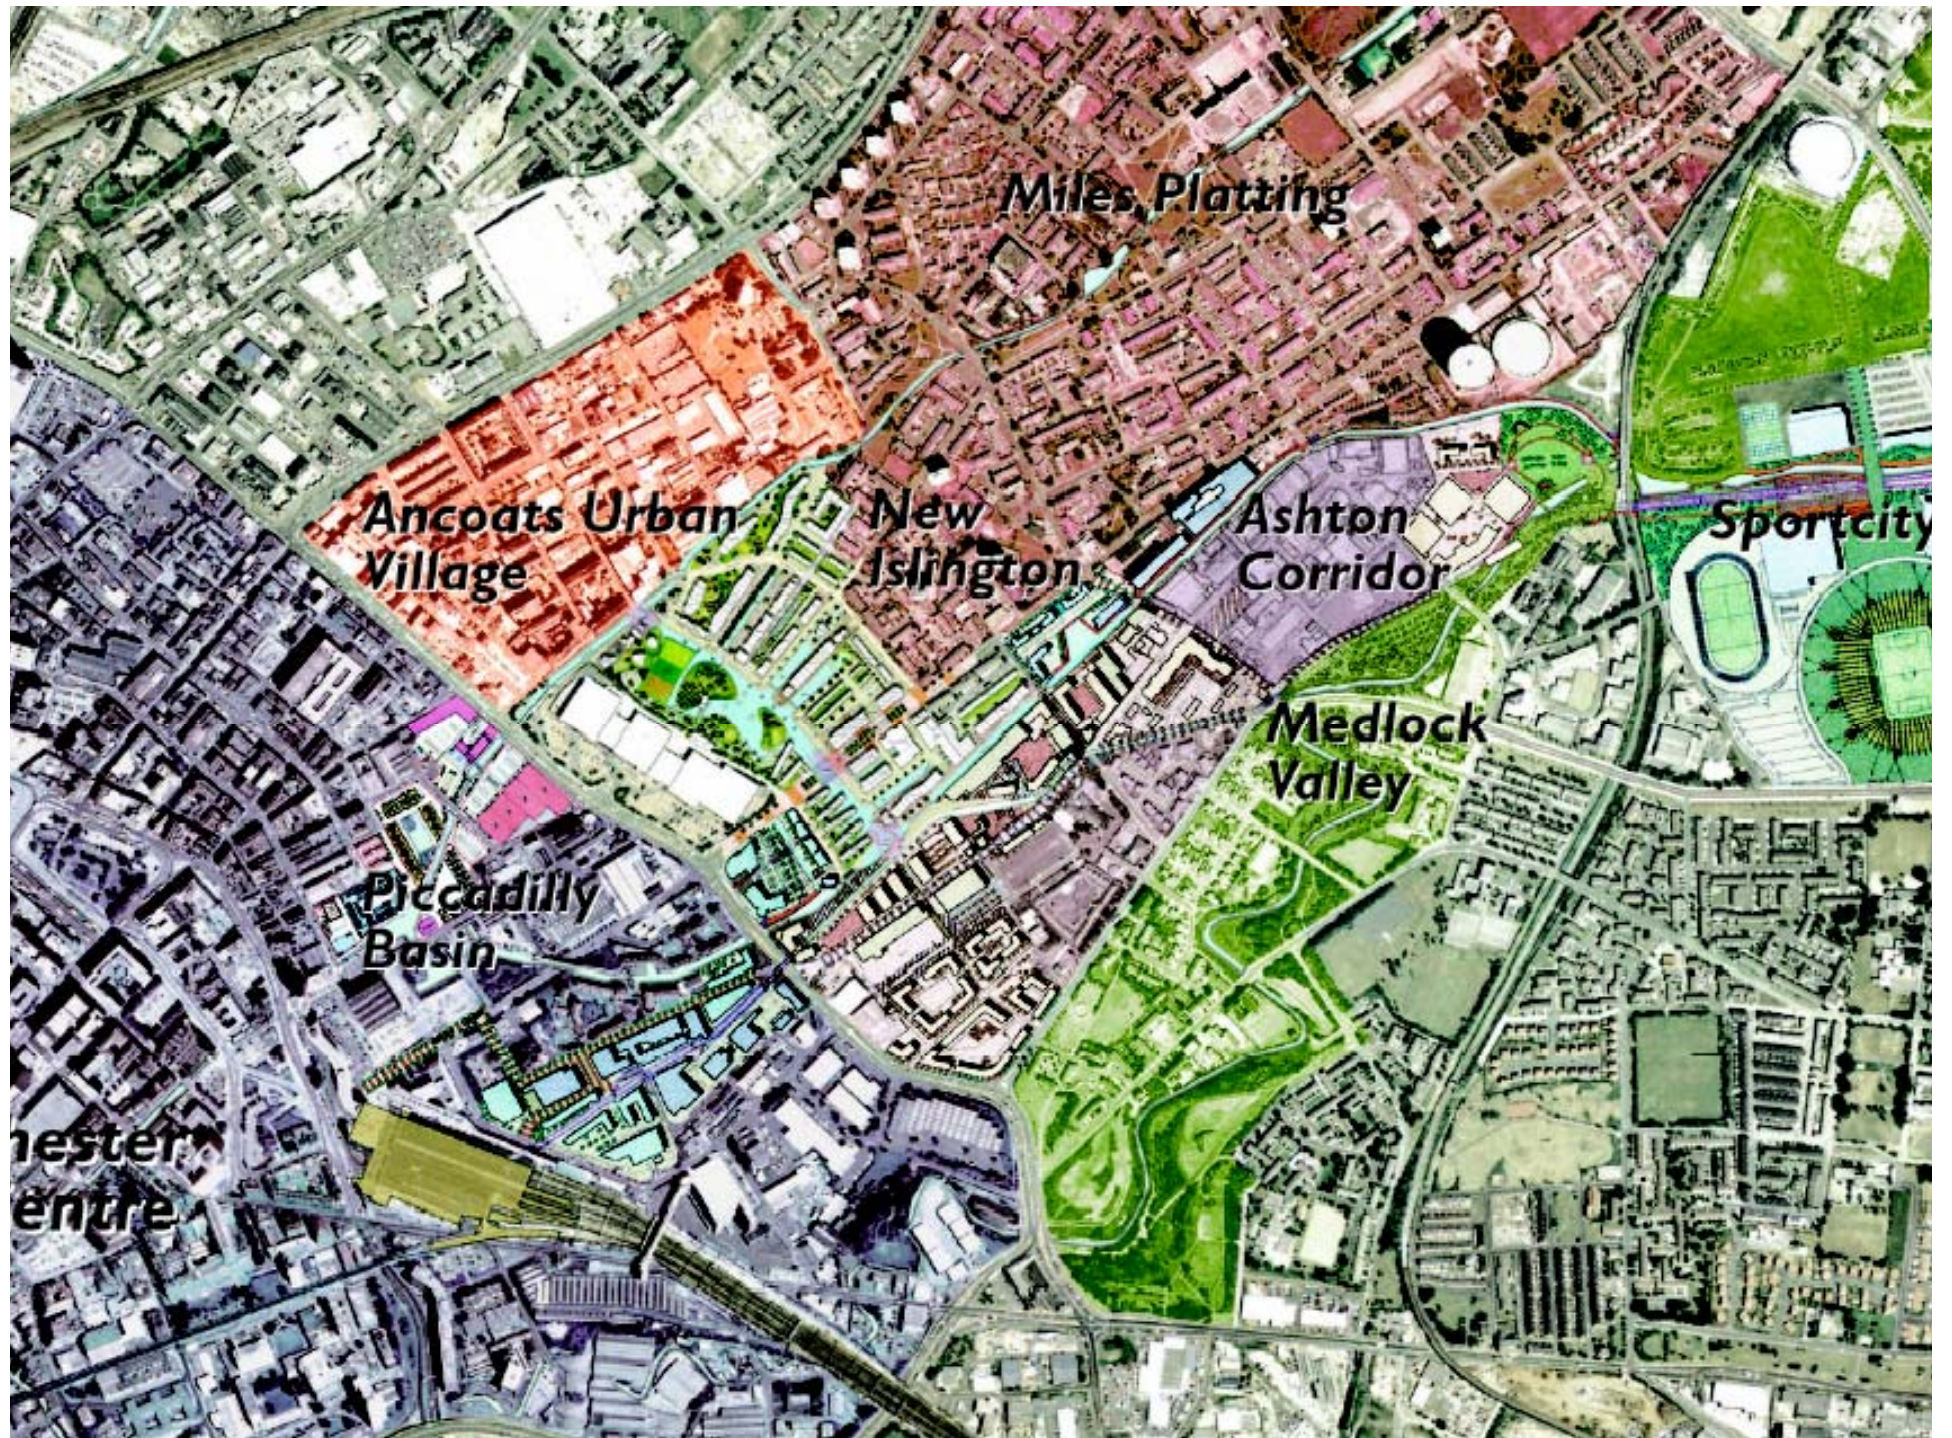

DIRECTOR OF DEVELOPMENT - URBAN SPLASH

An aerial photograph of Manchester, UK, showing the city centre and the New Islington area. The city centre is densely packed with buildings, including several tall skyscrapers. The New Islington area is characterized by large, white, rectangular industrial or warehouse buildings, some of which are surrounded by green spaces and trees. The River Irwell is visible on the left side of the image. Two white text boxes with blue text are overlaid on the image: one in the upper right corner and one in the lower left corner.
